

# Skogman Flooring & Interiors, Inc.

## Customer service, workmanship top assets of Coon Rapids flooring business

Skogman Flooring & Interiors, Inc. offers its customers the best price, customer service, knowledge and top workmanship.

Company owner Matt Skogman and general manager/sales person Sonia Skogman have the experience and knowledge to help customers pick out the right flooring, giving every project a fantastic finishing touch.

To help customers select the perfect product for their project, Skogman Flooring sales staff ask a lot of questions. They want to find out about their customers' families and the type of traffic the flooring will face before bringing out all the right options.

Skogman Flooring recently relocated to 11521 Eagle St., Suite 3, Coon Rapids from its Andover store to provide customers with easy access and three large display floors totaling 3325-square-feet of environmentally friendly flooring, carpet, tile, wood, laminate and vinyl.

Skogman Flooring is in a position to beat any price from competing retailers. The best prices, experience in flooring and in-house installation equal a good value for customers.

Skogman Flooring's goal is to have every customer walk out of their showroom loving their new flooring. The company also offers in-house consultations, next day remnant installation and does not charge sample fees.

Installations are done by the company's 10 clean cut in-house installers. Most of Skogman Flooring installers are from the Blaine, Coon Rapids and Anoka areas and have worked as a close knit team for many years.

"Skogman Flooring sells more than carpet. It sells workmanship and we take pride in having happy customers," said Matt Skogman. "Workmanship is our number one asset."
