Rockin' new salon! Love the hair! Love the cut! Love the service and the stylists!!! Best in town!!!"

Seems folks stopping by The Redpear Salon kick up their heels with delight after receiving high-end service from one of the salon's five talented stylists.

The family-owned salon, located at 12085 Hanson Blvd., Coon Rapids, caters to neighborhood folks as well as visitors from far and near.

And everywhere you look, there are happy faces glowing with glee beneath their new 'dos.

"We want everyone who comes in here to leave happy and smiling," said co-owner Aaron, "A.J." Perra.

In addition to cuts and styles, Redpear offers color analysis, color consultations, coloring, frosting, and highlights.

"We do cuts, colors, styles, up-dos, waxes, perming, paraffin hand-dipping ... We do it all!" A.J. said.

Hair removal also happens at The Redpear; those methods include eyebrow shaping, tweezing, and waxing.

"All of our stylists are up-to-date with new trends and

styles," said manager Jessica Cogger. "We have and will continue further education to be on the cutting edge."

The Redpear Salon is the place to go for hair and makeup, whether you're getting ready for an elegant party, prepping for prom or simply wanting to look your best.

Redpear's stylists also accommodate wedding parties.
