Twin City Discount Granite offers affordable quality that lasts a lifetime

The look of natural granite can transform a room the instant the countertops are installed.

It's a durable, easy to maintain stone that is being installed in kitchens and bathrooms throughout the Twin Cities area.

And for residents in the north metro area, Twin Cities Discount Granite is the business they have been turning to for quality products, installation and superior customer service.

The Coon Rapids business has carved a niche for itself in the 18 months since it opened in October 2007.

Homeowners and builders have helped the young business grow and flourish.

Twin City Discount Granite is a direct importer of granite and fabricates pieces at its location at 11521 Eagle St. N.W., suite 110, in Coon Rapids.

In doing so, "we can offer beyond competitive pricing," said Steve Confeld, sales and marketing manager. "Everything's done here."

With competitive pricing and quality granite, Twin City Discount Granite customers have referred the business to their friends and neighbors. In fact, customers are so satisfied that referrals are one of the biggest reasons for the company's growth.

"We're really catering to the northern suburbs," Confeld said.

"We have exceptional service and extremely low pricing with a low price guarantee."

At the business, customers walking in are greeted by samples of granite stone and countertops in an array of colors to meet any decor and style.

From start to finish, customers are able to see the entire process, from picking the stone to watching its fabrication.

"They can look, touch and feel," Confeld said.

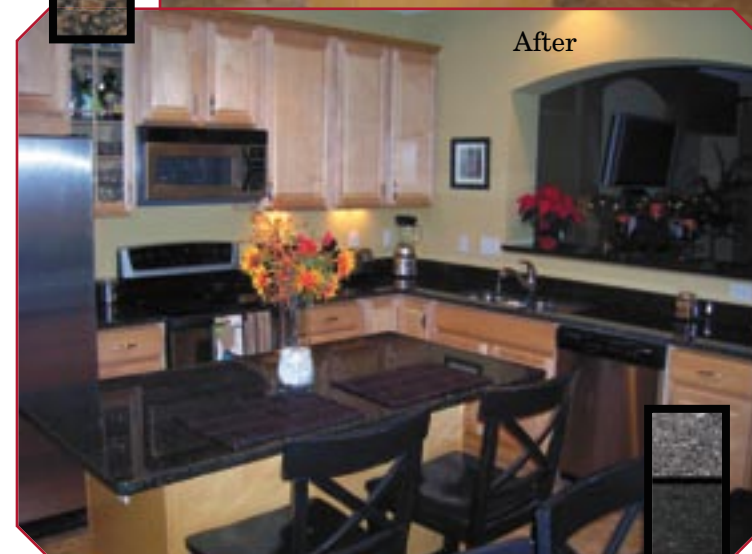

And granite offers a product unmatched in quality compared to other man-made countertops.

"It offers lifelong enjoyment without the hassles of wear and tear," Confeld said. "From day one granite will forever have its luxurious appearance."

"Its quality that lasts forever," he said.

Twin City Discount Granite is open Monday through Friday from 8 a.m. to 5 p.m., Saturday from 10 a.m. to 4 p.m. and closed on Sunday.
